Project Benefits

- Improved water quality that enhances the lake ecosystem.
- Lake shore restoration.
- Implements several Low Impact Development (LID) components.
- Improved accessibility to park users through pedestrian bridges and hike & bike trails.
- Improved conveyance of flood waters.
- Beautification of the park.
- Compliments City of San Antonio's vision for Elmendorf Lake Park Improvements.

Project Funding

Total Funds: \$7,000,000 (*MAX CAP*)

- County to provide \$7 Million with funding for Engineering Design, Environmental, Real Estate, Construction, and SARA Project Management
- Funds are an amount not to exceed of \$7 Million (Actual costs will be paid, potential for cost savings to the County)

Commissioners Court Action

Commissioners Court approved the Cooperative Agreement between Bexar County and the San Antonio River Authority (SARA) in the amount not to exceed \$7,000,000.00 in connection with Bexar County Flood Control Capital project, Elmendorf Lake Improvements SA34.
