

**ZARZAMORA CREEK TRAIL PUBLIC MEETING  
FEBRUARY 6, 2018  
THE Y – RUIZ STREET  
6:00 P.M.**

**DESIRED OUTCOMES:**

- Inform the public of the proposed alignment for the Zarzamora Creek Trail and explain the funding for the design and construction.
- Show the possible street connections and amenities for the trail.
- Get feedback from the community on the connection locations and amenities they would like for the trail.
- Have a conversation with attendees about what they would like the experience to feel like on the trail.
- Identify any missing elements from the plans at this stage of the design.

**AGENDA**

- 6:00 p.m. Welcome and Introductions – Xavier Urrutia, City of San Antonio Parks and Recreation Department  
Presentation on Proposed Alignment
- Overview, Coordination, Financing and Schedule– Jamie Taylor, Project Manager, San Antonio River Authority
  - Proposed Trail Design- John Mize, President, Ford, Powell & Carson and Steven Dean, Project Manager, Pape-Dawson Engineers
- Clarifying Questions – Sonia Jimenez – Facilitator, Ximenes & Associates, Inc.
- Review Participatory Process – Sonia Jimenez
- Form groups to give feedback.
  - Feel free to write on the maps – to show amenities, what’s missing, other thoughts about the trail.
  - Use the dots to show where you think connections should be.
  - Comment card available to capture other comments.
  - You can leave when you are through making your comments.

Work in Groups with the Maps

Adjourn when all have completed their comments and left.

**ZARZAMORA CREEK TRAILS PUBLIC MEETING**  
**FEBRUARY 6, 2018**  
**COMMENT CARD**

Thank you for coming today- we appreciate your interest and participation. Please indicate below your opinion about the meeting and its objectives by reading the statement and placing a check mark where it best reflects your opinion.

	Strongly Agree	Agree	Disagree	Strongly Disagree
1. The objectives of the meeting were clear to me.				
2. This meeting helped me to understand the design for the trail and how it will progress.				
3. The drawings were easily understandable.				
4. I was able to offer suggestions for improvements to the design.				
5. The staff and consultants answered my questions.
